## CLUE Book Log

### Chart 6, 6R, 7, 7R, 8, 8R

60  
CLUE  
Books

In Hanson Reading, a Hanson CLUE is a vowel or a vowel grouped with letters forming a unit that we call a CLUE. The vowel in that clump of letters won't obey the Hanson CODE. The CODE decodes long and short vowel words, and the CLUES decode the remainder of the vowels along with the sound open syllables make. The vowel in an open syllable says its name. In Hanson Reading, students always find the 1st vowel 1st, and then with only 3 options can read the word: Does it obey the CODE, or is it a CLUE, or is it an Open Syllable that says its name.

CLUE Focus	Chart 6 Read and See	
ay-hay	1	Stay at the Bay
